

Graduated Student Learning Plan (GSLP)

All students are required to have a **signed learning plan** to participate in a distributed learning program. Complete this form as thoroughly as possible. If you would like to discuss your course selection you can phone our office and speak with an advisor.

TUITION: The Ministry of Education will sponsor your tuition for most academic and upgrading courses including Literacy foundation courses, Math, English, Chemistry, Biology, and Physics. Please contact the school for more information.
